☆Eden Day Hab Opens☆

New Eden Prevocational and Day Habilitation Building

In December 2010, SASi opened a new Day Program on South Main Street in Eden, NY next door to the Original Kazoo Company.

The opening of the new location created six new full-time staff positions and allows SASi to offer services to 30 additional consumers agency wide. Most of the individuals attending the new site transferred from existing SASi program locations. The few openings that remain will be filled by students aging out of school in June.

The new location provides an opportunity to offer program participants the services they need closer to where they live which helps to decrease their travel time and related transportation costs.

Some of the individuals participating in this program will have the opportunity

SASi Board of Directors member Michael Medden and Eden Town Supervisor Glenn Nellis cut the ribbon

to do paid work at the Original Kazoo Company which is also owned and operated by SASi.

This building project was made possible through generous community donations and grants from the Town of Eden and the SASi Foundation.

Celebrating the Holidays in the Big Apple

Kathy Button and Gayle Barber traveled to New York City for the holidays to see the Macy's Thanksgiving Day Parade and celebrate the splendor of the city at Christmas time. It was the trip of a lifetime for these two ladies from SASi's Glenwood IRA and they couldn't wait to reach their destination. The tour bus arrived in NYC the day before Thanksgiving. Kathy, Gayle and SASi staff members toured Bryant Park and then took the short walk to Times Square where they enjoyed the hustle and bustle of the city and all of the nearby sites before

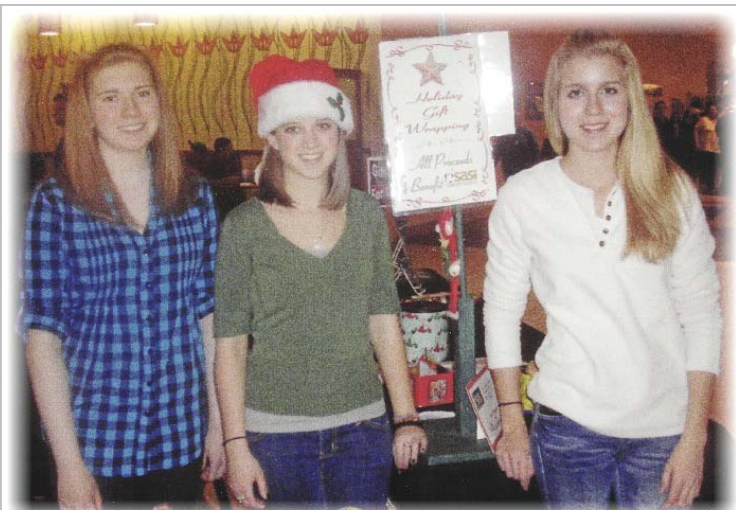

Kathy and Gayle in Times Square

hopping into a Yellow Cab to Macy's Department Store. They were amazed by the window displays and loved their visit to "Santa Land." After the ride back to Bryant Park they relaxed and watched the skaters on the beautifully decorated outdoor ice rink.

The following day, the group traveled back into NYC to view the parade. Everyone thoroughly enjoyed the festivities—especially watching the huge balloons flying overhead. On the way home to Buffalo the tour bus stopped in Wilkes Barre, PA where the ladies shared Thanksgiving Dinner.

Marcia, Gayle, Kathy and Shirley Celebrating Thanksgiving in Pennsylvania

Student Volunteers: Zoe Sparks, Kerrie Swayze and Christina Less

Helping Hands for the Holidays

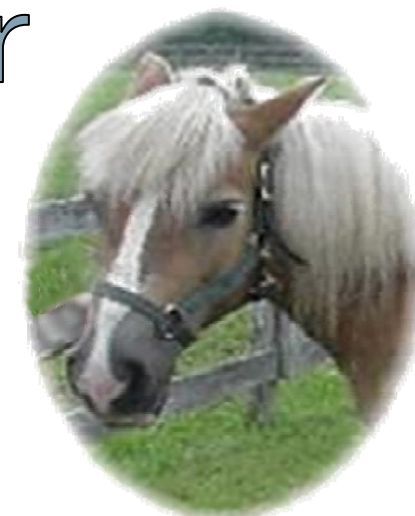

SASi's Parent/Caregiver committee held their annual holiday gift wrap at the McKinley Mall this past December. Volunteers from the committee worked together with student volunteers from Hamburg and Orchard Park High Schools to raise over \$3,500 to benefit the individuals who receive services through SASi.

All of us at SASi would like to extend a special **Thank You** to the "wrappers," shoppers and especially to the parent volunteers who worked so hard to coordinate this event!

Working Hard at "Going Green"

.....and saving money. Would you like to help? We can accomplish both goals by cutting down on the number of newsletters we print and mail. If you would prefer to receive your copy of the "Inside SASi" newsletter via e-mail, please let us know. Simply send us an e-mail at: Lkelly@sasinc.org, with the word **Newsletter** in the subject line. You will get a confirmation e-mail from SASi when we receive your information. **Thank you from SASi and the trees!**

Crickett's Corner

It is hard to believe it's 2011 already! I'm glad time is flying because winter is lonely up on the High Hurdles hill and, like every year, I am getting a little lonely.

But it's OK. I heard that classes are starting real soon. It won't be long until the barn will be full of volunteers and riders grooming, saddling, petting and best of all, bringing us treats! My horse buddies and I are looking

forward to being in lessons again. Each year we try to guess who will be riding which one of us. Has someone grown too tall for me? Will another rider be able to ride Penny without a leader? Who will our new riders be? Will there be lots of folks able to ride for the first time because now we have a lift to help them get on a horse from a wheelchair?

Last year I had a "rider" named Jordan who couldn't get on a horse, but he still came each week to spend time with me. While others rode, he and I spent time together. He would stroke my soft nose and run his hands through my mane. Sometimes we would just look at each other and he would smile. Sheila the cat would join us for a while and, at times, the other riders in the class would play ball toss with Jordan. When the class was over

he would try hard to hold my leadline and we would go back to the barn for snacks. I heard that he was here to have a "sensory experience," but I think he was here to have fun. He must have had as much fun as I did because I heard he is coming again. Maybe this year he'll ride; maybe not. Either way, I know we'll both have a great time!

Jordan & Crickett having fun in the barn

Do You Kazoo? Oh Yes Oui Do!

SASi kazoos have gone international! Although SASi kazoos have been available overseas through several United States on-line distributors, we have recently partnered with a European distributor, SPYRA to expand kazoo sales.

SPYRA is a French based company that distributes "early-learning" musical products for children throughout Europe. They create kits designed for introductory music lessons focusing on the basics of the art. Rhythm, note recognition, tones, pitch and tempo are all learned while exploring the instruments and experiencing the fun of music. SPYRA is currently test marketing the sale of the kazoos which are paired for sale with an educational DVD.

The sales to SPYRA in the second half of 2010 made them one of SASi's largest volume kazoo customers for the whole year. If the test marketing is successful, and they go ahead with inclusion of the kazoos, it will significantly increase production and sales for the Original Kazoo Company.

Having fun with a Trumpet Kazoo at a marketing event in France

In Memory...

It is with much sadness and heavy hearts that SASi bids a fond farewell to Honorary Board Member and friend, Mrs. Lelia M. Kearney, who passed away on Saturday, March 5, 2011.

Born on October 25, 1926, Lelia spent her entire life as a resident of Springville. She

was a devoted mother and dedicated advocate for individuals with mental and physical disabilities. Lelia took much pride in her role as one of the founding members of Suburban Adult Services, Inc. She served as a member of the corporate board of directors for SASi for more than three decades, including

several terms as president. She was also an enthusiastic member of the Lake Effect Chorus.

In addition to her many community activities, Lelia had a love of stuffed bears, quilting and crafting which she shared with her many lifelong family and friends.

“The best thing about giving is that what we get is always more valuable than what we gave. The reaction is greater than the action.”
 ~ Orison Swett Marden
