

HIGH HURDLES REGISTRATION WINTER 2025

Mini Session Schedule Options

NEW THIS YEAR! High Hurdles will be offering lessons on a limited basis in the months of January and February. These lessons will look a bit different than our typical lesson season, so please read carefully!

PLEASE MARK 3 or more choices for the day/time the rider would like to participate. Indicate with a ★ next to the most preferred choice.

TWO mini session options will be available, one in January and one in February. Please select your preferred days and times as usual.

We will **NOT** be providing makeups in the event of weather cancellations- any lessons cancelled by High Hurdles will not be billed (same rules apply if the rider is absent- see our handbook for weather and cancellation information). Therefore, invoices will be sent out at the conclusion of the mini session, and payment is due upon receipt of the invoice. These sessions are not eligible for the FSS program.

Please anticipate that some lessons will be off horse. This is a great opportunity for riders to learn more about their horse friends and what it takes to take care of them! If this is not appropriate for your rider, that is okay; we will see you in the summer! 😊

This opportunity is only available to riders that participated in the 2024 lesson season, as their registration packets and physician releases will be used for the winter. Please submit packets by December 20th in order to register!

Packets to enroll in the regular season will still be needed to continue past February.

**Rider is interested in:

- Primarily on-horse classes (horsemanship and riding)
- Off-horse only classes (horsemanship and ground based learning- no riding)
